Issue 28 August 2008

WELCOME

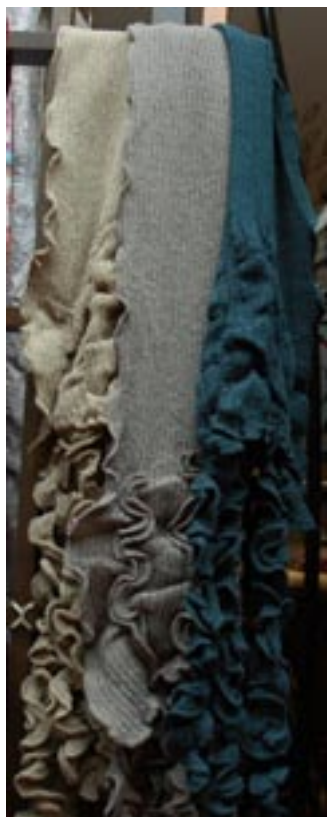

to the August edition of Flourish News, filled with new accessories for brightening up your style in the last month of Winter. Also some home decorating ideas on Page 2. Next month we'll start receiving shipments from stock selections at the Trade Fair in August so be sure to pop into the store to see what's new.

Enjoy the read and stay warm!

BAGS AND SCARVES

Our accessories seem very popular at the moment, perhaps because when you're all covered up in Winter they are such a visual way of expressing your personal style. Our very popular Barrel Bags from Louenhide are back in store (see left) and we have a

full range of colours. It's extendable strap and leather lining has people wanting more than one colour. Baby Barrel is \$84.95 and Regular is \$120.

Fringe scarves (see right) are flouncy and fun as well as being very warm and a bit different. Lovely colours for \$29.95 each.

NEW EELSKIN ACCESSORIES

Our eelskin range continues to grow with Pratten releasing a beautiful new clutch bag (see teal one above). It opens wide with plenty of spaces for credit cards. Other new bags and purses available - get them while you can for the upcoming wedding season.

BROOCHES

Brooches are certainly BACK and are a great way to accessorise when you have a scarf around your neck or a large coat on. You could also use them to clip a pashmina in place. Elk, Shona and Love are just some of the designers who have beautiful brooches in their range. Pictured above we have the Elk Tree (\$34.95), Love Mushroom (\$44.95) and Shona Brooch (\$34.95).

KAFTANS

The makers of our Barrel Bags also bring us Kaftans. These cotton tops come in a range of sizes and designs and are suitable for day or evening wear, with a belt or straight. Also a very versatile top to take travelling. Priced at \$64.95.

LIGHT SHADES

Proven to be a Flourish favourite already (a red one can be found in Jackie's kitchen...), our new Herman and Herman Curly Light Shades are reminiscent of a tropical incense coil and are an interesting light shade for both indoors or outside. From the iconic Melbourne shop, we have a range of sizes starting from \$119, in red, brown or natural.

WHITE LANTERNS

Continuing the light theme, our new white candle lanterns have just arrived. Suiting many decors, the large ones look great with a globe inside. From \$34.95 for a small one, they would make a lovely gift.

MORE DECORATING IDEAS

Our framed objects are never instore very long. Currently we have a reproduction wedding necklace from China in a chocolate frame. I wonder if we can stretch the selling spiel to say "Perfect to have above the plasma screen during the Beijing Olympics??" Maybe not! But great value at \$249.

Perfect for the cat lover or simply as part of a silver collection of decorative items in your home, our tall cats come in three sizes and are silver-plated brass. Starting from \$79.95 for the small.
