## WELCOME

to our October Flourish News. Going by the amount of Christmas decorations heading out the door (we've had to re-order since our recent shipment) we are not the only ones with Christmas on our minds. Our intricate wood cut out trees are selling well, as are the red reindeers and silver words so get in quick if you're in to collecting for Christmas early. Surprisingly well priced from a crazy \$1.95! It's mostly about the kitchen on the front and accessories on the back, so read on and hope to see you in the store again soon.

## NEW CLOTHING RANGES

You may have noticed we've branched out a little and added apparel to our ever expanding range of items in Flourish. The large collection of Kaftan designs have been with us for awhile but we now have a new cotton dress range, and the limited edition Elk Bamboo T-shirts featuring cute little travel themes such as Caravans and Suitcases.

We have something for all shapes and sizes in casual Summer wear and if the recent purchases by all staff are anything to go by then you can see we love the collections! Kaftans with the new gathered sleeves priced from \$34.95. And don't miss the spunky Elk trilbies, just \$40 each.

## IN THE KITCHEN

The designers behind these gorgeous, yet practical Babushka measuring cups (top and bottom of each of the 3 dolls measures a different size) need to be applauded! We love them and they're bound to be a hit this Christmas at just \$19.95 a set.

Tea drinkers will love our bamboo basket Tea Warmer sets. The pot sits cocooned in a warmer, keeping your tea warm for

hours. Includes the white crackle ceramic teapot. Priced at \$79.95

And now that you have your new set of measuring cups above, you need the recipes to create! Those watching SBS on Thursday nights will be familiar with Luke Nguyen. His Vietnamese restaurant The Red Lantern is iconic in Sydney and following on from his previous best-selling book we have his new collection "The Songs of SAPA" for \$69.95.

## OCT-OBER-DEE ACCESSORIES

Handmade in Geelong, we are pleased to be stocking this fantastic and highly original range. The leather bags are all hand-made and feature vintage fabrics and intricate wooden panels. There is also jewellery, cards and magnets to complete the collection. Very individual pieces from a very

creative producer. Please come and have a closer look for yourself!

## ZATINI JEWELLERY

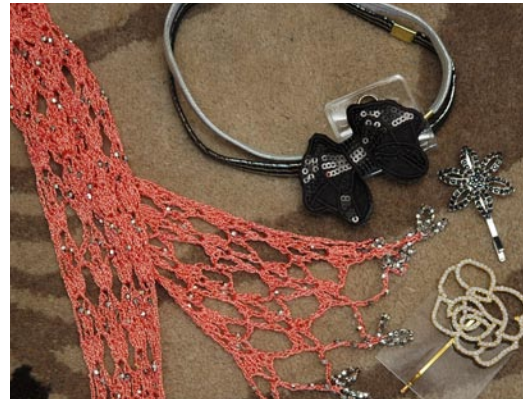

Always adding to our jewellery range, we have a new range from Zatini. Wooden beads, chunky and colourful with earrings, rings and necklets completing their designs. Great value from an incredibly well-priced \$18.

## SNEAK PEAK - ELK LEATHER!

Just arrived, new leather accessories from Elk. We know many of you have been waiting for this so just a quick note to say they are IN! More next newsletter....

## EB & IVE

This fresh new brand continues to expand and we now have their summer hair accessories in Flourish. Clips,

barettes and headbands all feature in the range. A great complement to their already popular sparkly scarves. Great Kris Kringle ideas with many items under \$10. Scarves from \$29.95.

## BUTTONWORKS

Back in stock we have beautiful free-standing trees from this Australian company. Great as a decoration on their own or as a jewellery display. We also have new brooches in leather and wood. Designs include Birds, Squirrels and Wombats. Priced from \$12.95.
